## 1 Bridge lenght:

### Regular

Determine the best fitting by choosing the right bridge for each type of nose. For that you can choose between the two additionally delivered bridges.

(Only available for the regular size!)

### Junior

The junior size generally only comes with one adjustable bridge. So no need to choose here.

We recommend this size for children up to 11 years.

## 2 Colour & Size (rose is only available for the junior size!)

## 3 Available powers and prescription:

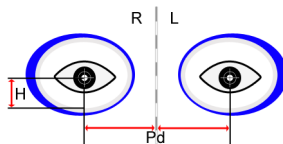

sph. +0.00 bis + 8.00\*  
cyl. bis + 4.00\*

sph. -0.00 bis -12.00\*  
cyl. bis + 4.00\*

\* higher powers than sph. +4,00 / sph. -6,00  
cyl. +2,00 extra charge (see pricelist)
